

GENEROSITY ROCKSTAR

- FAQ -

What is a Generosity Rockstar?

A Generosity Rockstar is someone who loves God and Central and commits to give generously to God through Central. The best and easiest way to become a Generosity Rockstar is to give at least \$20 per week, through an online, recurring, scheduled donation.

Where did the Generosity Rockstar idea come from?

Our Senior Pastor, Jud Wilhite, birthed the Generosity Rockstar vision at Central. Just over a year ago, Jud first went before the Central Family and shared the Generosity Rockstar initiative. Since Jud became our Senior Pastor in 2003, he has had a vision that Central would be a church characterized by a heart of generosity. By joining Central's team of Generosity Rockstars, you are personally taking a step toward making Jud's vision for Central become a reality.

Why is the Central Family being asked to become Generosity Rockstars and why is it important?

The ministries of Central are offered based solely on the generosity of the Central Family. We rely on those who love Central and call Central their church home to participate financially so that we can continue to advance our mission of introducing people to Jesus and helping them follow Him. Generosity Rockstars are the people who generously support this mission and vision.

How can I become a Generosity Rockstar?

There are four easy ways to become a Generosity Rockstar:

1. Find a Generosity Rockstar team member in a red shirt and let them know you want to become a Generosity Rockstar. They can sign you up in just a couple of minutes!
2. Fill out a Generosity Rockstar card from the seat back and drop it in the offering tray or hand it to a Generosity Rockstar team member in a red shirt.

Can I be a Generosity Rockstar for less than \$20 per week?

Absolutely! We created Generosity Rockstar as a first step for those thinking about giving for the first time. At Central, it's not about the money or the specific dollar amount. We don't want something from you, but rather, we want something for you. We want you to experience the blessings that the Bible promises when we live out a life of generosity! Prayerfully consider how much God is calling you to give and trust Him with that amount. For some, it may be \$20 or more per week, for others it may be \$10 per week, \$5 per week, or even \$1 per week. Ultimately, it's about taking a first step and trusting God with our finances.

Once I sign up for an online, recurring, scheduled donation, can I change it?

Yes! You can view and edit your giving schedule at any time by visiting centralonline.tv/give. Select your location from the dropdown and scroll to the bottom of the page to login or register for your account. After logging in, select "Profile" next to your name, and then click on the "Recurring Gifts" tab to view or edit your gift. For assistance or to make changes over the phone, call the Generosity Team at 702-440-8313.

Am I a Generosity Rockstar if I don't give online?

Online giving is the best and easiest way to give at Central. However, we recognize that some prefer to give through check, through their bank, or by giving cash in a giving envelope attributed to their name. If you give generously to God through Central, you are a Generosity Rockstar! If you are interested in the convenience of giving online, consider signing up for an online, recurring, scheduled donation.

According to God's Word, what are some of the blessings we can count on when we step out in faith and become a Generosity Rockstar?

The Bible has much to say about generosity and managing our finances God's way. In Acts 20:35, Jesus says, "It is more blessed to give than to receive." In Malachi 3:10, the Lord is quoted on the topic of generosity, "I will open the windows of heaven for you. I will pour out a blessing so great you won't have enough room to take in! Try it! Put me to the test!" As Jud has taught many times, the heart of the Generosity Rockstar initiative is not what we want from you, but instead, it's what we want for you! We want you to have the blessings that God promises in His Word when we live out a life of generosity.

What is a Generosity Rockstar coin and how do I get one?

You can carry a Generosity Rockstar coin in your pocket, wallet, or purse as a way to remember your commitment to investing in God's Kingdom through generosity at Central. In addition, the coin can serve as a reminder to pray for the generosity of the Central family. To get this coin, see any Generosity Rockstar team member in a red shirt.

What about tithing?

At Central, we believe what the Bible says about generosity: That we are called to be obedient by giving back a portion of what God has blessed us with — specifically, a tithe equal to 10% of our gross household income. However, we recognize that for some, due to personal financial circumstances, tithing may be just too big of a step at this time. That's why we created Generosity Rockstar as a first step for those who may be thinking about giving consistently for the first time. Our prayer is that by becoming a Generosity Rockstar, you would begin to experience the blessings that God promises when we learn to trust Him with our finances, and that over time, we would live out the life of generosity that He calls all of us to.
