

KIDS CAMP PARENT INFO

Drop off

Your kid(s) needs to arrive between 10-10: 30 am on Monday, June 1st.

Check-in will take place at the South Side of Henderson Campus. The buses will be parked here. Parents can park in Central Park parking area.

Please have everything ready to make sure that every kid gets checked in on-time. Here's what the process will look like:

- Drop off luggage at the appropriate bus.
- Check-in with your kid's leader. Hand their leader any camp mail and canteen money you are sending to camp.
- Check-in with the bus leader and hand the bus leader any medications your kid will require during camp.
- Make sure your kid has a peanut free lunch packed for the bus ride to camp (disposable lunch sack please).
- Say good-bye and your kid gets on the bus. Once your child is on the bus and checked in, they need to stay on the bus. No parents are allowed on the bus.
- Departure: We expect to leave promptly at 11 a.m.
- Return: We plan on returning around 2:00 p.m. on Friday, June 5th.

Canteen Card

This card will be used for your kid's spending money. Camp Pine Rock has a shop opened each day where treats, snacks, t-shirts, and accessories for color teams will be sold. We recommend \$10 if your kid is not going to buy any color items. If they are, then we recommend \$20 - \$30. We also encourage written instructions on how much your kid can spend each day at the shop.

Medications

All medications must be in original packaging with doctors' instructions. If your child needs assistance/monitoring regarding medications, please refer to the Medications card you will receive at the parent meeting and follow the instructions listed. Make sure your child's small group leader's name is written on the Medication card.

Mail

You are strongly encouraged to "mail" a note of encouragement to your child. Please have letters/cards ready with your kid's name, small group leader's name and date of "delivery" on the front of each envelope. You will give the mail to your kid's small group leader before departure.

Luggage

Your child is limited to one suitcase/bag and one small carry-on/backpack. Other than a sleeping bag, all other belongings must fit in these two bags. Your child should be able to carry what they bring. At the parent meeting, you will receive 3 colored luggage tags/wristbands. One will be used for the suitcase, carry on and one for the sleeping bag. These bands have been coordinated with the bus assigned to your child. When you arrive, immediately locate the correct bus to load the suitcase/bag and sleeping bag.

Payments Due

If you have a balance due on your kid's camp account, those must be paid in full by the date of the Parent Meeting (May 17th @2:30pm).

Who will be supervising my child during camp?

We take the value of safety & security very seriously and it is our #1 priority. All of our leaders and staff have updated background checks and are approved team members inside your kid's environment on the weekend. Along with Camp Pine Rocks staff and our leaders, your kids will have close supervision during their time at camp, to make sure they have a safe and memorable experience.

My kid has medical issues/allergies/ etc. Who can I speak with to ensure my child will receive the necessary care?

If your kid has medications, medical conditions, etc, please indicate clearly on your registration form. At the time of departure, you will give your kid's medication to the bus leader. All medication will be handled and distributed by a registered nurse, who has full records of kid's medications.

This is my first time allowing my kid to be gone for multiple days. Can I contact him/her while they're at camp?

We want kids to be engaged and involved while at camp so, we make it clear that phones (theirs and their leaders) are there for emergencies only. Your best way of contacting your kid is through their small group leader. Your leader will have their phone with them during camp, however, may not be able to return calls and/or texts as soon as they are received.

What will they be doing at camp? What activities are provided and what does a typical day look like?

Your kids have jam-packed days while they are at camp. Each day consists of two fun and upbeat worship sessions, two in-depth small group times and rotations of zip lines, rock walls, archery, swimming, obstacle courses, field games, spirit days, color competitions, and more!
